UNLIMITED CALL CAPACITY

SIMPLE HOSPITALITY provides unlimited concurrent calls with unblocked call capacity (unlimited trunks). The busy season or a spike in guest bookings won't result in a busy signal.

DISASTER RECOVERY

SIMPLE HOSPITALITY auto-detects disaster routing to a dual Cloud live back-up system, mobile device, or another property in case of a disaster, power outage, or Internet problems to ensure business continuity.

TRANSPARENT BILLING

SIMPLE HOSPITALITY means you pay one set price per month including incoming, outgoing, local, long distance, and conference calls. No seat fees, subscriptions or calling charges. You get unlimited users, extensions, and voicemail.

We Are Your **Single Source Solution** for Internet, POTS/POTS Replacement, WiFi Management, Hosted PBX, Backup/Disaster Recovery **All On One, Easy-To-Understand Invoice.**
