

## EnTelegent Solutions Welcomes Joshua Redick as National Channel Sales Manager, East

**Charlotte, NC – February 9, 2026** — EnTelegent Solutions announced that **Joshua Redick** has joined the company as **National Channel Sales Manager, East**, effective today. In this role, Redick will lead channel growth initiatives across the Eastern United States by expanding strategic partnerships and supporting Technology Advisors, MSPs, and Technology Wholesalers.

With more than 20 years of experience in channel sales leadership and partner development, Redick brings a proven track record of building high-performing indirect sales ecosystems that support long-term partner success.

Prior to joining EnTelegent Solutions, Redick served as a Business Consultant and Advisory Board Member at Redline Communications Technology Consultants, where he helped launch the company into the indirect channel and establish key TSD partnerships.

“Joshua’s proven ability to help partners grow and scale makes him a strong addition to our channel organization,” said **Tom Turpin, CEO of EnTelegent Solutions**. “His leadership and execution mindset will be instrumental as we continue to expand across the Eastern U.S.”

Please join EnTelegent Solutions in welcoming **Joshua Redick** to the team.
